## COVENANT FOR LEADERSHIP BOARD CANDIDATE EVALUATION PROCESS

*Thank you for allowing your name to be considered for the important leadership ministry of Board Member at Crossroads Community Church. We appreciate your willingness to undergo this leadership selection process. Regardless of the outcome, we want you to know that we value you and your contribution to the Crossroads family. Thank you.*

\_\_\_ I agree with the goal of finding the best leaders possible for the best interests of CCC.

\_\_\_ I understand the qualifications, calling, and demands of the Leadership Board.

\_\_\_ I feel that I am ready and available for prayerful consideration, and should I be selected, I agree to the requirements of being a Leadership Board member.

\_\_\_ I submit to the objective leadership process of honest, intense, personal questioning and evaluation, with the understanding that all such information will be kept confidential. My life is an open book. I humbly place the outcome of this process in the hands of God.

\_\_\_ I agree to receive the conclusions as God's will, whether I am or am not selected. I understand that this is an evaluation process to determine the best leader for the job at this time and not an evaluation of personal worth or merit.
